

## e-biz

email and web hosting solutions  
for home or business

Keeping the Island connected

## **E-Biz Hosting**

Manx Telecom E-Biz is an Email and Web Hosting service designed for home users and small businesses who want to have a presence on the Internet. Whether you have a website you want to get on the Internet or you just want to have email addresses for your family or small business E-Biz will have a package for you.

Hosted on shared servers in our purpose built datacentre with world class diversity and resilience, Manx Telecom E-Biz services are managed and monitored by a dedicated team 24 x 7 x 365 offering world class hosting at affordable prices.

All our packages offer FREE domain name registration and management. You choose your .com address we'll do the rest.

# E-Biz Features

## Manx Telecom has invested substantially in a world-class infrastructure using market leading solutions from Compaq, Cisco, Microsoft, Hosting Controller, Advanced Communications and Mirapoint.

---

This infrastructure provides customers with high speed, secure and resilient clustered hosting services that few businesses can afford to build or maintain in-house.

The E-Biz mail platform has a feature-rich webmail interface for managing your email if you are away from your computer, also global POP3 access if you travel with a laptop so you are never far away from your important messages.

The mail platform is updated daily with the latest anti virus and anti spam software and scans all incoming and outgoing emails.

### With the E-Biz web hosting control panel you can manage many different features including:

- Online FTP (File Transfer Protocol) to upload your website to the servers
- The ability to add/change/delete email accounts on your domain
- A free forums service that you can configure and manage
- A HTML editor to assist you in creating your website
- A 'Trouble Ticket' system for reporting your faults

### Along with these great features Manx Telecom E-Biz also offers you:

- High availability servers hosted in our secure and resilient hosting centre
- Cost effectiveness
- No connection charges
- 24x7x365 fault reporting
- Domain registration and management

### All E-Biz services are expandable so your online presence can grow with your business or venture with features including:

- Additional webspace
- Additional monthly traffic
- Additional mailboxes and mailbox storage
- Additional domain names
- SSL security certificates
- MS-SQL databases.

# E-Biz Lite and E-Biz Standard

## E-Biz Lite

E-Biz Lite gives you up to 4 email addresses on your own unique domain name (e.g. yourname.com) and will allow you to forward your existing @manx.net emails to the new domain for up to 12 months giving you time to advise your contacts of your new address. Some businesses use free email addresses as they mistakenly think it's expensive or complicated to have their email on their own domain. Not so!

With E-Biz Lite you can have professional, easy to remember contact details now, while still receiving your @manx.net email.

What looks more professional:  
[plumbers@manx.net](mailto:plumbers@manx.net)  
or [sales@plumbers.com](mailto:sales@plumbers.com)?

What's easier to remember:  
[joeandjanebloggs@manx.net](mailto:joeandjanebloggs@manx.net)  
or [joe@bloggs.com](mailto:joe@bloggs.com)?

### The Lite package offers the following:

- Free domain name registration (.im and .co.im domains are an optional extra)
- Up to 4 email addresses for your chosen domain
- Forwards your existing @manx.net email to your new address to keep in touch with your contacts
- Admin control panel
- Up-to-date anti virus and anti spam filtration
- Global POP3
- Webmail interface
- 24/7 Fault reporting

### E-Biz Lite costs **£4.25 + V.A.T.** per month

- No connection charge
- 12 month minimum term

## E-Biz Standard

E-Biz Standard provides an entry level solution for small office or home office customers who would like to take the initial steps of having an Internet presence with email and web hosting facilities at little cost.

### The Standard package offers you the following:

- Free domain name registration (.im and .co.im domains are an optional extra)
- Up to 50MB of web space to upload your website
- Up to 5 email addresses for your chosen domain
- 2Gb traffic per month
- Free basic statistics package
- Admin Control Panel
- Up-to-date anti virus and anti spam filtration
- Global POP3 access
- Webmail interface
- 24/7 Fault reporting

### E-Biz Standard costs **£8.50 + V.A.T.** per month

- No connection charge
- 12 month minimum term

# E-Biz Mail and E-Biz Professional

## E-Biz Mail

If your company is looking just to host email services without web hosting then E-Biz has the answer with E-Biz Mail. We register the domain name of your choice and then you allocate mail boxes as per your requirements.

### The Mail package offers you the following:

- Free domain name registration (.im and .co.im domains are an optional extra)
- Up to 30 email addresses for your chosen domain
- 200MB storage per mailbox
- Global POP3 access
- Webmail interface
- 24/7 Fault reporting
- Up-to-date anti virus and anti spam filtration

**E-Biz Mail costs £15.00 + V.A.T per month**

- No connection charge
- 12 month minimum term

## E-Biz Professional

E-Biz Professional provides everything a business requires to establish a professional presence on the Internet with email and web hosting facilities at a much higher level of sophistication.

### The Professional package offers you the following:

- Free domain name registration
- Up to 200MB of web space to upload your website
- Up to 20 email addresses for your chosen domain
- 10Gb traffic per month for busier sites
- Free advanced statistics package
- Free MySQL database
- Admin Control Panel
- Up-to-date anti virus and anti spam filtration
- Global POP3 access
- Webmail interface
- 24/7 Fault reporting

**E-Biz Professional costs £25.00 + V.A.T. per month**

- No connection charge
- 12 month minimum term
