IMPORTANT INFORMATION

These General Terms and Conditions are for Consumers only. If you are a Corporate/Business, please refer to our Business General Terms and Conditions.

This is an important document as it sets out your legal rights as a customer of Manx Telecom Trading Limited and the terms upon which Manx Telecom Trading Limited will provide our services to you (our customer). Your legal rights, as our customer, are provided in these terms and conditions, the order that you gave to us and we accepted and any service descriptions and attachments to your accepted order.

If you use any of our services, then you will be deemed to have accepted these terms and conditions and any terms contained in your accepted order and any service descriptions and attachments.

OUR SERVICE

1. If we accept your verbal request or any order form that you submit to us, either by post or electronically, then we promise to provide you with each of the services that you request from us.

2. For all services that you request from us please refer to the relevant Services Description for the service you have taken in addition to these terms and conditions and any Order Form that you may have submitted to us.

SERVICE QUALITY

3. We will try our hardest to provide you with the services on the date that we have agreed with you. However, if we do not meet a previously agreed date, then we do not offer compensation for any delays that may occur. If you do not confirm a delivery date within three (3) months of order placement then we may cancel your order by providing you with ten (10) days' notice.

4. We will aim to provide you with a continuous, high quality service, but we cannot guarantee that the service will never be faulty.

5. If any of our services develops a fault, then we will carry out repairs in accordance with the type of repair service that you have chosen. Please see our code of practice (that is published in the Isle of Man telephone book) for further information regarding our repair services.

6. In the following circumstances, you may be required to pay extra charges as provided in our price list (which will be in addition to our standard charges for our services that will normally be listed on your order form):

- if you require us to repair a fault outside the hours covered by your chosen repair service; or
- if you tell us there is a fault in our service, but we find either that no fault exists or that someone or something at your premises other than us has caused the fault.
- if we make an appointment with you to gain access to your premises and we are unable to gain access at that agreed time, abortive visit charges may apply.

OUR CHARGES

7. Please refer to your order, the relevant Service Description or Service Attachment, our price list or our bills for more details on our charges. Our charges will be dependent on the service(s) you select. Certain terms, conditions and exclusions may apply to particular services and these details are included in our price list and form part of these General Terms. Where there is a discrepancy with published prices, then our price list shall take precedent.

OUR BILLS

8. Our first bill will be sent to you shortly after our service commences, with future bills being sent either monthly, quarterly or annually depending on the service taken or at any time if we feel that your use of our services makes it necessary.

9. Unless you have selected our e-bill services or the issue of a bill is not relevant to the services you have taken, then we will send your bills to the address that you provided to us when you ordered the services from us, unless you tell us otherwise.

10. We may ask you for a payment before one is normally due or as security for payment of your bills when you first ask us to provide our services to you.

11. Where you have taken Services from us that incur a rental charge, you must pay us line rental from the day we supply the Service. We will usually ask you to pay the line rental in advance and your call charges in arrears. The rental will depend on how we classify your line. The classifications are explained in our Price List. If we supply you with temporary Service, you may have to pay the line rental in advance for the whole period that you want the Service.

12. You agree to pay all of the charges listed on your bill even if you have a dispute, within 30 days of receiving our bill, even if the charges have been incurred by somebody else using your own equipment or the equipment that we supplied to you (with or without your knowledge).

USE OF OUR SERVICES

13. You agree to follow any reasonable instructions that we may give you about our services.

14. If you connect equipment to our network that adversely affects either our network or other customers, then we will instruct you to remove it or we will remove it at your expense.

15. If you ask us to test your equipment prior to connecting it to our network, then you agree to our terms and conditions detailed within our Services Description for Equipment /Inspection Testing Services and to pay our charges provided in our price list.

You will be refunded the price of your equipment and all charges associated with the services that you originally purchased other than for the calls you have made. However, you must pay for all charges that may take longer to be billed such as roaming.

17. If you bought the equipment directly from us, we will bear the cost of returning it as long as you follow our returns procedure (call MT Customer Services for more details), otherwise you will bear the cost.

THINGS WE MAY HAVE TO DO

29. If for operational or emergency reasons we have to interrupt our services or change any phone number or Internet address or the technical specification of our services or bar certain numbers to prevent fraud, then you accept that we shall be entitled to do so without liability.

30. If we give you instructions regarding our services that we believe are necessary for health or safety or for the quality of our network or the services that we supply to you or to our other customers, then you agree to comply with them.

32. We require that you remain our customer for a minimum term as indicated on your Order Form from the date that we start to provide you with our services or such other longer minimum term as may be indicated to you when you order the services from us. However, if you terminate our relationship prior to the end of the minimum term (other than under the circumstances where we have breached these terms and conditions), then you will be liable to pay those charges that were due for that minimum term.

33. Although we hope that you will remain our customer for many years, once the minimum term has ended you may terminate our relationship at any time by providing us with 30 days' notice in writing.

34. Save as otherwise provided herein, we can terminate our relationship by giving you 30 days' notice in writing.

35. If you terminate our relationship after you have placed an order but before taking them up, then we may charge you for any work undertaken on your behalf.

36. If you wish to stop using any of our services at any time after the Initial Period as detailed in paragraph 16, then we will not refund any sums that relate to unused services for which you may have paid for in advance.

AMENDING OUR RELATIONSHIP

37. If we need to change our charges or the nature of our relationship, then we will:

- (a) publish all changes to our price list online at www.manxtelecom.com;
- (b) publicise the changes at least 30 days before they take effect;

38. For any regulatory or compliance changes that we need to make, we may not always be able to meet the timescales provided in paragraph 37, but in such circumstances, we will publicise such changes as soon as possible.

PRICE CHANGES

39. Manx Telecom reserves the right to adjust pricing at any time (which could be an increase or decrease), subject to providing at least 30 days' notice in advance. Price adjustments can apply to monthly subscription charges and/or out of bundle rates. Each year Monthly Subscription Charges will be reviewed and may be subject to an annual price adjustment which can either be determined by Manx Telecom based on changes in the market and/or provision of service cost, or adjusted in line with the RPI Rate, (which could be an increase or a decrease). Price adjustments that are introduced as a consequence of changes in

the market and/or provision of service costs shall be notified at least 30 days in advance.

40. Termination of our Agreement prior to the contract end date;

a. Subject to clause 37, you may terminate the affected part of the Agreement if we have made a change that materially disadvantages you and which cannot be offset by Manx Telecom to your reasonable satisfaction on 30 days' written notice to Manx Telecom. This right to terminate ends 30 days after the effective date of the change, providing the change has been communicated in writing for a period of no less than 30 days. The following shall be a material detriment for the purposes of this Agreement; a) an increase of more than 10% in a 12 month period in the monthly price plan charge, b) an increase in the out of bundle price plan charges representing an increase of more than 10% to the average bill in a 12 month period, c) a withdrawal of the core service(s) or an adverse change to the core service(s). However, this clause does not apply if the change or withdrawal relates to a Third-Party Service which you can stop using or cancel without ending this Agreement.

b. If you have a valid reason to terminate our Agreement prior to the contract end date, you may do so without incurring an early termination charge for the provision of mobile services (calls, texts and data), although the outstanding equipment subsidy will be recovered in full. If this applies, Manx Telecom will inform you of the value of the equipment subsidy and the outstanding payment will be calculated as 1 divided by the contract term [12, 18, 24 months], multiplied by the subsidy value and number of months remaining on the contract.
